The Catchy Title (1000 Readers)

Your names

Hasso Plattner Institute, Potsdam, Germany

Abstract. 100 readers 4-6 Sentences

1 Introduction

– 1 page, 100 readers
– Here is a problem
– It's an interesting problem
– It's an unsolved problem
– Here is our idea
– outline your contributions (not your paper ☺)

2 Concept

– Elaborate on your idea
– First give examples and than try to generalize

3 Implementation

– Give use some insights into the algorithm
– Point out major technical challenges

4 Results

– Demonstrate that your idea actually works
– Identify possible drawbacks

5 Related Work

– Who inspired your work?
– Which aspect do you improve?
– What are the basic foundations?

6 Conclusion and Future Work

– Conclude your work by repeating the contributions
– Highlight the best evaluation results
– Identify future directions (what would be the next topic of the next paper?)
